Services

The services are only offered during the operating times of the Kaprun high mountain reservoirs (end of May to mid-October). Exception: The guided info tour in the main power station can be booked all year round. Please note that the minimum time requirement only refers to the respective offer and is only a guideline for planning purposes. Transfer and waiting times to and from the excursion destination and any additional time spent on site are not included. The catering options, the time, the number of people

and the choice of dishes will be agreed with you in advance. We will be happy to assist you with the planning and prepare an offer tailored to your interests and time frame.

Prices and group conditions

Prices valid from 15 persons. Special conditions apply for the Zell am See-Kaprun Summer Card and educational institutions from the province of Salzburg (on request).

Arrival

The Zell am See-Kaprun vacation region can be reached via all main traffic routes: Coming from the north via the German highway A9 via Munich, from the east via the Westautobahn A1, from the south via the Tauernautobahn A10 and from the west via the A12 Inntalautobahn via Wörgl.

From Kaprun:

From the Kaprun bypass (traffic circle), follow the signs in the direction of Kitzsteinhorn and reservoirs. After approx. 2.5 kilometers you will reach the Kaprun main stage power station, the starting point for the power station tours.

VERBUND Information Center, Kaprun power plant main stage
Krafthausstraße 20, A-5710 Kaprun

Parking lot: P4, free of charge, directly next to the street.

Directions to the reservoirs:

Following the Kesselfallstraße for approx. 6 kilometers, you will reach the Kassa Kesselfall at the end of the public road, the starting point for the further transfer to the Kaprun high mountain reservoirs. Please note: It is not possible to drive up to the reservoirs in your own bus.

Kaprun High Mountain Reservoirs, Kassa Kesselfall
Kesselfallstraße 98, A-5710 Kaprun

Parking: Free parking for buses.
