Schlegeis Alpine Road

A Trip to Marvel and Discover

Experience the power of water on your excursion into the Zillertal Alps. The approximately 13 km long Schlegeis Alpine Road leads along waterfalls and natural stone tunnels to the emerald green Schlegeis reservoir. The ideal starting point for a hike with a cozy stop at the surrounding

huts. Learn interesting facts about hydroelectric power generation on a guided tour of the power station and the 131 m high Schlegeis dam wall. Enjoy the unique panorama of glaciers and mountains. Plan your visit today!

Culinary Offers

Around the Schlegeis reservoir you will find numerous huts that invite you to linger with regional delicacies. We will be happy to send you an overview of all partner businesses on request.

Services

The services are only offered during the operating times of the Schlegeis High Alpine Road (mid-May to the end of October). Exception: The guided info tour at the Mayrhofen power station can be booked all year round. Please note that the minimum time requirement only refers to the respective offer and is only a guideline for planning purposes. Transfer and waiting times to and from the excursion destination and any additional time spent on site are not included.

Please note: The Schlegeis dam wall is not accessible to visitors with disabilities. We will be happy to assist you with your planning and provide you with an offer tailored to your interests and time frame.

Prices and group conditions

All prices are valid for groups of 15 persons or more. Special conditions apply for educational institutions from the province of Tyrol (on request).

Arrival

The Zillertal vacation region can be reached via the main traffic routes from all directions.

Mayrhofen:

Follow the B169 from the Mayrhofen town entrance. After approx. 2.3 kilometers you will reach the Mayrhofen power plant, the meeting point for the power plant tours.

VERBUND Information centre Mayrhofen power plant
Tuxer Straße 795
A-6290 Mayrhofen

Parking lot: Free of charge at the VERBUND site

Directions to the Schlegeis reservoir:

Note: From Ginzling there is a height limit of 3.60 m and a length limit of 13 m for all buses.

From Mayrhofen, drive around 15 km along the B169 Zillertal road in the direction of Ginzling and then to the Breitlahner toll station. From the Breitlahner toll station, follow the Schlegeis Alpenstraße for approx. 7 km to the Schlegeis reservoir.
